

## Wilandra Rise Primary School Volunteer Agreement

Welcome to Wilandra Rise Primary School and thank you for volunteering your time with us.

To ensure you understand our community as well as the policies that guide our professional practice it is a requirement that you familiarise yourself with a number of documents.

At Wilandra Rise Primary School all staff, volunteers and board members are required to observe child safe principles and expectations for appropriate behaviour towards the company of children. You are responsible for following the School's expectations which includes:

- supporting the safety, participation, wellbeing and empowerment of children
- adhering to the school's policy (see the school website) and upholding the school's statement of commitment to child safety
- taking all reasonable steps to protect children in your care from abuse
- treating everyone with respect
- listening and responding to the views or concerns of children, particularly if they are telling you that they or another child has been abused and/or are worried about their safety or the safety of another

I have read this document, the Volunteering at Wilandra Rise document and attended a Volunteers Information Session and understand the Child Safety standards and expectations during my volunteer support time at Wilandra Rise Primary School.
